

I'll Sing It

Tweedy

Mister here's a trick for you
I'll sing it if you'd like
Pretend we're getting closer
We're never getting closer

Mister here's a trick for you
I'll sing it if you'd like
We're never getting closer
We're never getting closer

I'll sing it to you
I'll sing it to you
I'll sing it to you

And let me tell you what I'll do
I can sing it if you'd like
Forever getting closer
We're never getting closer

I'll sing it to you
I'll sing it to you

Mister here's a trick for you
I can sing it if you'd like
Remember getting closer
Remember getting closer

I'll sing it to you
I'll sing it to you
I'll sing it to you
I'll sing it to you
I'll sing it to you
I'll sing it to you
I'll sing it to you
I'll sing it to you
