Tweet

So long  
Waiting for you  
That I just can't feel my  
Feet on the ground  
Numb, and my  
My head is cloudy  
It's an urgency how  
I need you

Oh, I'll tell you what you are  
You're the type of medicine  
Oh, that's what you are  
You keep me from heartache  
Falling to pieces  
Oh, and you are  
And you're all that I  
I ever think of  
I'm a keep on waiting  
For you boy

And it feels like I'm  
Addicted, addicted to you  
Addicted, addicted to you  
Addicted, addicted to you  
Addicted, addicted to you  
I go in on you  
I go in on you

I'm gone (gone)  
I can't deny it (no)  
Whenever you're with me (I)  
I don't wanna come down (come down)  
And I won't even try  
Try to doubt it (no)  
It's an urgency I need ya

Oh, I tell you what you are  
You are the type of medicine  
Oh, that's what you are  
You keep me happy as the perfect potion  
And you're all that I  
I ever need to get by  
Touch from you is golden  
That's what it is (yeah)

It feels like I'm  
Addicted, addicted to you  
Addicted, addicted to you  
Addicted, addicted to you  
Addicted, addicted to you  
I go in on you  
I go in on you  
I go in on you  
I go in on you

Sometimes you make me feel like I'm crazy (I'm crazy...)  
Baby you've never been [?]

Sometimes you make me feel like I'm crazy  
Crazy, crazy

Addicted, yeah  
Addicted, ooh
