

Could It Be

Tweet

Started out a boy that didn't know the game
But some many years I remained same
Use to be a love maker, heart breaker, major part player.
Never thought that my heart ever change.
Since then I have grown to know this much.
What it really means to fall in love.
But I dont know how I know I just know
baby you're the one 4 me

Could it be (could it be)
That I'm falling in love with you
Tried of the same old thing and playing all same old games
and if I could trade one thing in the exchange for you
Boy I give anything (anything)

As a lil I was taught I was trained
Never trust in a man
'Cause they all remain the same
But you came alone
and you brought out a lil woman in me
And it's all in the things you do yea
Never thought I be there with thoughts of loving you
But I claim it and name it
Baby your the reason I want a love brand new

Could it be (could it be)
That I'm falling in love with you
Tried of the same old thing and playing all same old games
and if I could trade one thing in the exchange for you
Boy I give anything (anything)

See I never had someone to hold me quit this close
And out of everyone of everyone I ever wanted
seems like I want you the most
Cant deny you got me so high I cant come down
