

# I Admit It

[Tweet](#)

Ooh, oh

Yeah

You're not the guy, the one I dreamed of  
I can tell 'cause I only give just enough  
Said what I had to to save your feelings (Feelings)  
But I don't wanna lie to you anymore

So I'll just close the door  
And leave you alone (You)  
Please forgive me, I admit I'm wrong (Oh, oh, oh, oh)  
I admit I'm wrong (Oh, oh, oh, oh)

I'll take the blame, let it go on much too long  
Thought my heart would change so I kept holding on (Ooh)  
Did what I had to do to save your feelings (Feelings)  
But I don't wanna hide the truth anymore

So I'll just close the door  
And leave you (You), leave you alone  
Please forgive me, I admit I'm wrong (Oh, oh, oh, oh)  
I admit I'm wrong (Oh, oh, oh, oh)  
I admit it

Please forgive me  
I admit it (Woah)  
(Oh) I admit it  
(Oh) I admit it  
I admit it (Woah)  
(Oh) I'm wrong (Wrong)  
For treating you this way  
So wrong (Wrong)  
For treating you this way (Ooh)  
I didn't mean to hurt ya  
Make you cry (Ooh)  
This way (Ooh)  
I'm sorry (Oh)  
I'm sorry (Oh, oh)
