

Sorry

Tweet

I feel drained, there's so many thoughts on my brain
And I've had enough of going round
Chasing you boy
Play myself, here's what I'm gonna do
I'll let go, take back my heart
So turn it over,
Sooner or later, you'll be sorry
Soon as you say you're sorry
It will be too late, I'll be gone
I'll be gone
Silly of me to think that I
Could of change with you
And though the pain's...
I'm falling out of love with you boy
Restraining myself, here's what I'm gonna do
I'll let go, take back my heart
So turn it over,
Sooner or later, you'll be sorry
Soon as you say you're sorry
It will be too late, I'll be gone
I'll be gone
It's better to leave now,
One thing it never can change
What goes around comes around
So good bright days, they will come
Sooner or later, sooner than later
It will be too late, too late, too late, too late
I'll be gone, da da da da ra, da da
Da da da da ra, da da, da da da da ra, da da
Too late, too late, too late, oh whoa
I'll be gone.
