

# Backslide

## Twenty One Pilots

I don't wanna...

Rat race, place to place, adding weight  
Tendencies on repeat, innit  
Benefit from a shoe with no lace  
Take the seat with the crease in it

I don't mind if it's lonely  
I don't mind if it's fair  
I don't care, you control me  
Leading me anywhere

I don't wanna backslide to where I started from  
There's no chance I will shake this again  
'Cause I feel the pull, water's over my head  
Strength enough for one more time  
Reach my hand above the tide  
I'll take anything you have  
If you could throw me a line  
I should've loved you better  
Do you think that now's the time  
You should let go?  
It's over my head

Bad place on a hundred dollar bass  
Kind of wishing that I never did Saturday  
Is that a stain? You should change  
Are you doing good? Did you solve all of your problems?  
Thanks for asking, in a way but  
Accidentally uncovered a new one yesterday  
What happened to what I brushed under the rug  
I used to be the champion of a world you can't see  
Now I'm drowning in logistics

I don't wanna backslide to where I started from  
There's no chance I will shake this again  
'Cause I feel the pull, water's over my head  
Strength enough for one more time  
Reach my hand above the tide  
I'll take anything you have  
If you could throw me a line  
I should've loved you better  
Do you think that now's the time  
You should let go?

I don't mind if it's lonely (It's over my head)  
I don't mind if it's fair (You should let go)  
I don't care, you control me (It's over my head)  
Leading me anywhere

I'll take anything you have  
If you could throw me a line  
I should've loved you better  
Do you think that now's the time  
You should let go?  
It's over my head  
You should let go

It's over my head

I don't wanna backslide
