

# Doubt

Twenty One Pilots

Scared of my own image  
Scared of my own immaturity  
Scared of my own ceiling  
Scared I'll die of uncertainty  
Fear might be the death of me  
Fear leads to anxiety  
Don't know what's inside of me

Don't forget ab-b-b-b-bout me  
Don't forget ab-b-b-b-bout me  
Even when I doubt you  
I'm no good without you, no, no

Temperature's dropping  
Temperature's dropping  
I'm not sure if I can  
See this ever stopping  
Shaking hands with the dark parts of my thoughts, no  
You are all that I've got, no

Don't forget ab-b-b-b-bout me  
Don't forget ab-b-b-b-bout me  
Even when I doubt you  
I'm no good without you, no, no no no no

Gnawing on the bishops  
Claw away at this system  
Repeating simple phrases  
Someone holy insisted  
Want the mark he's made on my skin  
To mean something to me again  
Hope you haven't left without me  
Hope you haven't left without me, please

Don't forget ab-b-b-b-bout me  
Don't forget ab-b-b-b-bout me  
Even when I doubt you  
I'm no good without you, no

Don't forget ab-b-b-b-bout me  
Don't forget ab-b-b-b-bout me  
Even when I doubt you  
I'm no good without you, no no no no no

Hey! Hey!  
Don't forget about me, no  
Hey! Hey!  
Don't forget about me, no  
Hey! Hey!  
Don't forget about me, no  
Hey! Hey!  
Don't forget about me, no
