

# Leave the City

Twenty One Pilots

I'm tired  
Of tending to this fire  
I've used up all I've collected  
I have singed my hands  
It's glowing  
Embers barely showing  
Proof of life in the shadows  
Dancing on my plans

They know that it's almost  
They know that it's almost over  
They know that it's almost  
They know that it's almost over

The burning  
Is so low it's concerning  
'Cause they know that when it goes out  
It's a glorious gone  
It's only  
Time before they show me  
Why no one ever comes back  
With details from beyond

They know that it's almost  
They know that it's almost over  
They know that it's almost  
They know that it's almost over  
They know  
They know that it's almost over  
They know  
They know that it's almost over  
They know  
They know  
They know

In time, I will leave the city  
For now, I will stay alive  
In time, I will leave the city  
For now, I will stay alive  
In time, I will leave the city  
For now, I will stay alive  
In time, I will leave the city  
For now, I will stay alive

They know that it's almost  
They know that it's almost over  
They know that it's almost  
They know that it's almost over  
They know  
They know

Last year  
I needed change of pace  
Couldn't take the pace of change  
Moving hastily  
But this year  
Though I'm far from home

In TRENCH I'm not alone  
These faces facing me

They know  
They know  
What I mean
