

# Overcompensate

## Twenty One Pilots

(Diese kleine unheimliche Insel hat mich zu einer Waffe gemacht)  
(Wir glauben beide—)  
(Cette petite île étrange a fait de moi une arme)  
(Nous croyons tous les deux que nous pouvons l'utiliser pour changer l'élan  
de cette guerre)  
(Esta pequeña isla misteriosa me ha convertido en un arma)  
(Todos creemos que podemos usarla para cambiar el impulso de esta guerra)

Welcome back to Trench  
Welcome back to Trench  
I created this world  
To feel some control  
Destroy it if I want  
So I sing Sahlo Folina  
Sahlo Folina  
(Wait, what? Wait, what?)  
(Wait, what? Wait, what?)

Earned my stripes  
Three hundred tracks in my Adidas track jacket  
Bless your ear holes while you react  
Actin' gobsmacked, don't hesitate to maybe overcompensate  
I feel like I was just here, same twitchin' in my eyes  
Don't sleep on a boy who can't fall asleep twice  
In the same night and won't hesitate to maybe overcompensate

I said I fly by the dangerous bend symbol (Wait, what? Wait, what?)  
Mm, don't hesitate to maybe overcompensate  
And then by the time I catch, in my peripheral (Wait, what? Wait, what?)  
Mm, don't hesitate to maybe overcompensate

Where am I from? I was born right here, just now  
Originated right in front of your eyes  
If you can't see, I am Clancy  
Prodigal son, done running, come up with Josh Dun  
Wanted dead or alive  
So now you pick who you serve  
You bow to the masses  
Get kicked to the curb  
For passin' the classes  
Half empty, half full, save half for your taxes  
Then overtake your former self

I fly by the dangerous bend symbol (Wait, what? Wait, what?)  
Mm, don't hesitate to maybe overcompensate  
And then by the time I catch, in my peripheral (Wait, what? Wait, what?)  
Mm, don't hesitate to maybe overcompensate

Days feel like a perfect length  
I don't need them any longer  
But for goodness sake  
Do the years seem way too short for my soul, corazón  
Way too short for my soul, corazón  
The days feel like a perfect length  
I don't need them any longer  
But for goodness sake  
Do the years seem way too short for my soul, corazón

Way too short for my soul, corazón

Earned my stripes

Three hundred tracks in my Adidas track jacket

Bless your ear holes while you react

Actin' gobsmacked don't hesitate to maybe overcompensate

I said I fly by the dangerous bend symbol (Wait, what? Wait, what?)

Mm, don't hesitate to maybe overcompensate

And then by the time I catch, in my peripheral (Wait, what? Wait, what?)

Mm, don't hesitate to maybe overcompensate
