Like a bulldozer, like a tank, like a soldier
I'm gonna break down the guard around your heart
I'm gonna steal your heart, leaving nothing behind

I've never felt this way before! A major event!
My heart was beating non-stop as soon as I met you

My heart was beating in 4/4 before, but now it's sped up to 8/4
It's getting faster all at once
Ba-dump ba-dump, ba-dump ba-dump
Oh? This is a first for me
What do I do!? My love woo

Like a bulldozer, like a tank, like a soldier
I'm gonna break down the guard around your heart
I'm gonna steal your heart, leaving nothing behind

I like you. I've got this in the bag

I wanna open up about all these feelings I have for you
'Cause they're about ready to burst out of me. I make a wish...

How should I tell you? No no, mail or a letter won't do
It'll be alright if I tell you face to face with a smile!

"I, um, I've got something important to talk to you about..."
I managed to say that much
But now my heart's going ba-dump ba-dump, ba-dump ba-dump
Oh my god! And now I can't say a single thing
Lemme get myself ready, woo

Like a bulldozer, like a tank, like a soldier
I'm gonna break down the guard around your heart
I'm steal your heart, leaving nothing behind

I like you. I've got this in the bag
I wanna open up about all these feelings I have for you
'Cause they're about ready to burst out of me. I make a wish...

Get in! Boom boom boom
I'm gonna zoom zoom zoom towards your heart
Your guard's solid as a rock, It's like a steel
I'm going straight, forcing my way through, to make it real

Like a bulldozer, like a tank, like a soldier
It's all-or-nothing. I'm in combat mode
The mood's gotten really tense 'cause it's just the two of us

I finally got to meet you. I'm positive, this is destiny
If there's no use in crying over spilled milk
Then I'm gonna run head-on at you like I mean it, right now
