Brave, brave, brave for ya
Oh, na-na-na-na (Hey)
□ □ □ □ □ on and on and on
Oh, trust me, baby (Oh, no)

Brave, brave, brave for ya
Brave, brave, brave for ya

On an unusually dark night
Felt so lonely on top of the world
I was afraid of wandering
The world is so covered up, so hard to breathe

Now, ooh-ooh, ooh-ooh, ooh-ooh-ooh, ooh-ooh
A sign that wakes me up again without a single light
Ooh-ooh, ooh-ooh, ooh-ooh-ooh, ooh-ooh
Your voice makes me run again, so fine

Take a heavy breath and look ahead
I'm the one that you told properly
Brave, brave, brave for ya

Brave, ah
I'm never alone, so I'm never alone
Brave, brave, brave for ya
Brave, ah
My wounds fill up with you (Yeah)
I can't live without you

Oh, na-na-na-na (Hey)
You make me who I am, on and on and on
Brave, brave, brave for ya
Oh, na-na-na-na (Hey)
You make me breathe on and on and on
Oh, trust me, baby

Yeah, yeah, yeah

Ooh-ooh, ooh-ooh, ooh-ooh-ooh, ooh-ooh (Ooh)
On a day that was like an endless maze, you became the sign that guided me
Ooh-ooh, ooh-ooh, ooh-ooh-ooh, ooh-ooh (Hey, yeah)
Your loud voice makes me run again, so fine

Take a heavy breath and look ahead (Oh, no)
I'm going to properly deliver it to you now
Brave, brave, brave for ya

Brave, ah
I'm never alone, so I'm never alone
Brave, brave, brave for ya
Brave, ah
My wounds fill up with you (Yeah)
I can't live without you

Oh, na-na-na-na (Hey)
You make me old on and on and on
Brave, brave, brave for ya
Oh, na-na-na-na (Hey)
You make me breathe on and on and on
Oh, trust me, baby

In deeper wounds
The rain that fell on my heart which never healed
You make it stop before you know it, you are my only believer
The dreamer who made me run a little farther
I can hear you calling (Only you)

Brave, ah
I'm never alone, so I'm never alone
Brave, brave, brave for ya
Brave, ah
My wounds fill up with you (Yeah)
I can't live without you (You're brave, yeah)

Oh, na-na-na-na (Hey)
You make me who I am, on and on and on
Brave, brave, brave for ya
Oh, na-na-na-na (Hey)
You make me breathe on and on and on
Oh, trust me, baby (Oh, no)
