Every day it rings, the bell bell bell
Now care for me
I don't wanna waste my battery
It keeps coming, it keeps coming
Like my phone's gonna explode
I don't know, I don't know, he says he can't even breathe
He says he's struggling because of me
He says his heart is dropping, why?
He says that I'm so pretty
I'm not showing off or anything

Sorry I couldn't pick up earlier
I was meeting my friends, shy shy shy
I can't really meet you right now, sorry
I'll call you a little later

Don't beg, then you won't last long

I'll let you call me baby
It's still a little too early, too early for my heart
To feel the same - But I'll show you more

CHEER UP BABY CHEER UP BABY
Cheer up a little more
A girl can't give her heart too easily
That's how you'll get to like me even more
I'll act calm, as if it's nothing
So you won't know that I like you
Just get it together
And then baby CHEER UP

I can hear the anxiety in your voice
I can see the sweat forming on your phone
It's not attractive to answer right away
Reading your text and not responding is a given
Oops, was I too harsh boy?
I'm worried that you'll get tired
But if not, I think I'll fall for you
I think I'll fall you for even more

Sorry I couldn't respond
I was meeting my friends, shy shy shy
I can't really meet you right now, sorry
I'll call you a little later

Don't beg, I'm not going anywhere
I'll be your baby
But not too fast, show me you mean it
I'll wait for you

CHEER UP BABY CHEER UP BABY
Cheer up a little more
A girl can't give her heart too easily
That's how you'll get to like me even more
I'll act calm, as if it's nothing
So you won't know that I like you
Just get it together
And then baby CHEER UP

I like you too, I'm just worried I'll get hurt
I hope you understand cuz I'm a girl

I'm scared that you'll find out how I feel
Come to me little by little just like now
It won't take that long
Just get it together
And then baby CHEER UP

Be a man, a real man
Gotta see u love me
Like a real man
Be a man, a real man
Gotta see u love me
Like a real man

CHEER UP BABY CHEER UP BABY
Cheer up a little more
A girl can't give her heart too easily
