

## CHESS

TWICE

Oh, I used to be unskilled and naïve  
You deceived me for your own benefit  
With a cunning trick more than anything  
Now completely, I realize everything

Calculated, educated  
I'm the monster you created  
So you changed me, I upgraded  
I'ma tell ya

I ain't playin' checkers, I play chess  
Became the best and nothin' less  
Yeah, that's what I do, I'm making moves  
I never lose, and that's on you (And that's on you)

I dominate the outcome of this game  
It's getting more and more interesting  
Victory is mine, obviously I  
Know I'm not the same person I used to be

Calculated, educated  
I'm the monster you created  
So you changed me, I upgraded  
I'ma tell ya

I ain't playin' checkers, I play chess (I make 'em sweat)  
Became the best and nothin' less (I make a mess, I must confess)  
Yeah, that's what I do, I'm making moves (I bet ya knew)  
I never lose and that's on you (I never do, and that's on you)

Because of you, I've become stronger  
And I can go with the flow

Better without you, better now  
With or without you, ain't no doubt  
You know you gotta, you gotta show me your manners, bow down  
Better without you, better now  
Want me to lose, I don't know how  
You know you gotta, you gotta, you gotta, uh

Let you shoot your shot, now that's on you  
Shoulda done it better when you had it all together, what now?

Now you're really running out of moves, ah-ah  
Yeah, that's what I do, I'm making moves (I bet ya knew)  
I never lose, and that's on you (I never do, and that's on you)

I ain't playin' checkers, I play chess (I make 'em sweat)  
Became the best and nothin' less (I make a mess, I must confess)  
Yeah, that's what I do, I'm making moves (I bet ya knew)  
I never lose, and that's on you (I never do, and that's on you)
