Now, the color of the cloud in the sky is tropical, yeah  
Red color of the sun is like your cheek  
Oh tell me I'm the only one, babe  
I fancy you, I fancy you, fancy you  
(TWICE!)

It's dangerous it pricks, you are like a rose  
It's okay, I am not afraid at all  
Hold it harder, take my hand  
It will be a little dangerous, even more dangerous baby

Like sweet chocolate ice-cream  
My feelings melting now, so lovely  
Shining most brightly in the dark universe  
The star, the star, and your big star next to it

You there, I fancy you  
I don't want just anyone  
Hey, I love you (love ya!)

Yes, you, I fancy you  
You can be happy like a dream  
'Cause I need you (what?)

Fancy you, ooh  
What if someone likes it first  
Fancy you, ooh  
I will come to you now  
(Fancy, ooh)

Everyday  
I can't do anything really, oh my  
Mayday  
It will become very serious  
Bang bang  
My head is hypnotized, becomes reset  
What should I do?  
Not sure if it is right, S.O.S

Swim, swim  
I become submarine in the sea called you  
Everyday is birthday  
Sweet, you and my fantasy  
Dream, dream  
It's like a dream, pinch your cheek  
Nowadays, my status message is la la la, baby

Like sweet chocolate ice-cream  
My feelings melting now, so lovely  
Shining most brightly in the dark universe  
The star, the star, and your big star next to it

You there, I fancy you  
I don't want just anyone  
Hey, I love you (love ya!)

Yes, you, I fancy you  
You can be happy like a dream  
'Cause I need you (what?)

Fancy you, ooh  
What if someone likes it first  
Fancy you, ooh  
I will come to you now  
(Fancy, ooh)

Will it suddenly disappear like smoke?  
Always full of it, I take you in my eyes  
I become cozy just by thinking  
I will secretly hold you from behind and never let you go

You there, I fancy you (fancy you)  
I don't want just anyone  
Hey, I love you (love ya!)

Yes, you, I fancy you  
You can be happy like a dream  
'Cause I need you (what?)
