

## G.O.A.T. (Mina, Dahyun, Chaeyoung)

TWICE

Baby, I'm the G.O.A.T (Drip, drip, drip)  
Baby, I'm the G.O.A.T, don't try me (Don't try me, can't you see?)  
Can't you see I'm in deep flow? (Yeah, drip, drip, drip, drip)  
Like a waterfall that can't be stopped  
Make it rain, didn't miss a spot

Keeping busy, I've been out on the road (Show what you came for)  
When the loneliness was taking its toll (Not in my feels)  
Left me out hung to dry  
Phoenix, watch me rise  
Too bad that you're gone  
Won't see me cry

Got me on a roll, yeah, I breathe fire  
Try to bring me low but I go higher  
'Cause I got a goal, it won't stop for you  
Yes, I am the G.O.A.T, I am tougher  
Got me on a roll, yeah, I breathe fire  
Try to bring me low but I go higher  
'Cause I got a goal, it won't stop for you  
Yes, I am the G.O.A.T on the top

Baby, I'm the G.O.A.T (Oh, oh-oh, oh, oh, oh, oh)  
Baby, I'm the G.O.A.T (Oh, oh-oh, oh, oh, oh, oh)  
Baby, I'm the G.O.A.T (Oh, oh-oh, oh, oh, oh, oh)  
I got a goal, it won't stop for you  
Yes, I am the G.O.A.T on the top  
Baby, I'm the G.O.A.T

I got a lotta love but ain't none for you (None, none)  
I bust a little whine, you know like I do  
Make a brother wanna pull up  
'Cause he know that I'm a doer  
Make it tick-tock like that clock don't stop  
Keep going, I hit the spot, yeah  
Betting you gon' like the view of  
Make your jaw drop to my future (Baby, I'm a doer)
