

Ha-oh

Amai kono senritsu ni
Watashi no kokoro o funwari
Tsutaetai no
I'll tell you through this song
Kimi to iru tabi ni
Omowazu hohoemu son'na jibun o mitsuketa
And I know (I know)
Kimi no (You know)
Akarui iro de (Brighter)
You fill my life with colors

So let it glow (It glows)
Sonomama
Wherever you are
Dare yori mo glow

You're shining
Marude yozora no hoshinoyōni
Hikari o kakusenai
You're etched in my mind
Hitomi no oku no sunaona kokoro
I know your eyes, I know your heart
So let it glow

It's okay if you don't try hard
Kimi to iu sonzai koso ga
Itoshikara
It doesn't matter why
Jikan ga tatte mo zutto
Kawaranaide hoshi
Mabushii sugata de

So let it glow (It glows)
Sonomama
Wherever you are
Dare yori mo glow

You're shining
Marude yozora no hoshinoyōni
Sono hikari kakusenai
Etched in my mind
Hitomi no oku no sunaona kokoro (Your eyes)
I know your eyes, I know your heart
So let it glow

Ha-oh
