Everything is the way I feel it
My color is like pink, blue, black, white
A bit more special than anyone else's
A one-of-a-kind color, oh all right

I can't hide it even if I try
I shine so brightly
The hot gazes, everyone is watching me
My heart is racing, heartbeat, heart heartbeat

I'm going to start now
So that it burns up hot
Oh, I don't care what's trendy
It all looks boring to me anyway
I'm hot, hot, hot
Burn it up hot baby

Hot hot hot whoo woo
Hot hot hot whoo woo
Oh my hot hot hot whoo woo
Hot hot hot whoo woo
Burn it up hot baby

Even in normal clothes I look different
Everything from my head to toes is already perfect

Even if you deny it, your heart is drawn to me constantly
It's because you have already fallen for me, yeah
Whether I stay still or move, everyone is
Following me, oh my, oh oh my

I'm going to start now
So that it burns up hot
Oh, I don't care what's trendy
It all looks boring to me anyway
I'm hot, hot, hot
Burn it up hot baby

Hot hot hot whoo woo
Hot hot hot whoo woo
Oh my hot hot hot whoo woo
Hot hot hot whoo woo
Burn it up hot baby

Catch me if you can
Catch me if you can
If you want to see the real me again
Catch me if you can
Catch me if you can

If you want to see the real me again

Hot hot hot whoo woo
