It's a good day hey wake up
It's a busy day
But the sky is perfect
I ended the chat with my friends today
Just for you, I lend time to you
What's there to fear?
Close your eyes and just shout
Abandon all the things that happened yesterda
It's our party time
Light steps
This is crazy
We can go, until the space's end

Baby baby
Don't worry about it
And follow me
LALALA Clap clap your hands
We'll just go where our bodies lead us to
This thrill
LALALA Clap clap your hands
Leave it to me
(Clap clap clap)
Hey just follow me
Let's go crazy
(Clap clap clap)
Hey just follow me
Baby baby Let's dance all night
More hot
LALALA Clap clap your hands

24 hours for a day is too short for me
The hot rhythm comfort me
Lend time to me for today
There's nothing I cannot see
Don't stop my heart
Raise your voice higher
It's our party time
Light steps
This is crazy

We can go, until the space's end

Baby baby
Don't worry about it
And follow me
LALALA Clap clap your hands
We'll just go where our bodies lead us to
This thrill
LALALA Clap clap your hands
Leave it to me
(Clap clap clap)
Hey just follow me
Let's go crazy
