Keep wanting to show it all again and again
Every single little thing
Inside the small screen
I wanna be the prettiest
Yet, still I hide my feelings deep inside

It takes so much effort
To get the perfect look
But it's something
I can never give up
Makes my heart beat everyday
It's something you must never know
Then, I go on pretending

BB cream, pa pa pa
Lipstick mam mam ma
Pose for the camera, ain't I pretty?
When you see this
Make a smile, and press hard
On the cute red Heart Heart down there
