

# Me + You

TWICE

Yeah, you know I'm always by your side  
So just listen, yeah

Babe, feels like only yesterday  
Guess the memories never fade away  
So many dreams we've been chasing together  
We've been through the tears and the laughter  
Now we've found a happy ever after  
I got you, and that's all that matters  
I'm so glad you're in my life

No-one knows me  
Like you do, honestly  
Better than I know myself

All I need is you, just you  
For everything we've been through  
I'm grateful that you're my best friends until the end  
I'll stick by your side like glue  
It's true  
Nothing's ever gonna come between us  
Ain't no way we can't lose  
Always me plus you

It still feels the same and though the seasons change  
Through the ups and the downs, you stay my main  
'Cause girl, one look in my eye and you read my mind  
We got a connection that gets stronger every time  
Ride or die

I won't take you for granted  
A shoulder to cry on, I got it  
So reach out your hand and I'll grab it  
Day or night, I hold you down

No-one knows me  
Like you do, honestly  
Better than I know myself

All I need is you, just you  
For everything we've been through  
I'm grateful that you're my best friends until the end  
I'll stick by your side like glue  
It's true  
Nothing's ever gonna come between us  
Ain't no way we can't lose  
Always me plus you

All I know, it just gets better with time  
When you're feeling so down and lonely  
I'll be there come rain or shine  
Oh, if you don't already know  
There's nothing that I won't do  
It's always  
Me plus you

Oh, yeah, yeah (Oh, yay, yeah)

Oh, yeah, yeah, yeah, yeah  
Oh, yeah, yeah  
Ain't no thing, it's just me plus you

All I need is you, just you  
For everything we've been through  
I'm grateful that you're my best friends until the end  
I'll stick by your side like glue  
It's true  
Nothing's ever gonna come between us  
Ain't no way we can't lose  
Always me plus you

Oh, yeah  
I gotta tell you  
Always me plus you
