

MEEEEEE

TWICE

Don't play with a girl, don't play with a girl like-

Don't cook but I got good taste
Don't drive but I love the chase
Soft touch when I use my teeth
Don't play with a girl like me
Stay close but I need my space
One kiss, that's all it takes
You're in way, way, way deep
Don't play with a girl

Don't play with a girl like me, me
Me
Don't play with a girl
Don't play with a girl like me, me
Me
Don't play with a girl, don't play with a girl like-

Ooh, I see you, babe
Don't do too much before the finish line
It's true, I ain't no pick me
That's not how you're keeping my interest

Came for the music, I stayed for you
Here in this moment, I'm yours to lose
When you do it, do it right
Take me by surprise
Imagine being mine

I don't cook but I got good taste
Don't drive but I love the chase
Soft touch when I use my teeth
Don't play with a girl like me
Stay close but I need my space
One kiss, that's all it takes
You're in way, way, way deep
Don't play with a girl

Don't play with a girl like me, me
Me
Don't play with a girl
Don't play with a girl like me, me (Don't play with a girl)
Me
Don't play with a girl, don't play with a girl like-

Whoa, wait a minute
I might just let you
Oh, do you get it?
I might just let you hit it sideways
Leave you by the end of days
Treat you like a holiday
We ain't going no place fast
I'm a summer day
Sip on me like lemonade
So hot, gonna pray for rain
You ain't going no place fast

I don't cook but I got good taste
Don't drive but I love the chase
Soft touch when I use my teeth
Don't play with a girl like me
Stay close but I need my space
One kiss, that's all it takes
You're in way, way, way deep
Don't play with a girl

Don't play with a girl like me, me (Don't play with a girl)
Me
Don't play with a girl
Don't play with a girl like me, me (Don't play with a girl)
Me
Don't play with a girl, don't play with a girl like-

Don't play with a girl, don't play with a girl like-
Don't play with a girl, don't play with a girl like-
