

# MOONLIGHT SUNRISE

TWICE

Oh, yeah  
I guarantee I gotcha

I been craving for your love  
Can't see nobody but us  
So I, so I, so I  
See you from across the room  
Make my way over to you  
I'm trippin' over butterflies

Oh yeah, baby, I don't really mean to rush  
But I'ma really need your touch  
If I'ma make it through the night  
I got the moonlight  
Tequila sunrise  
Come take a shot on me, I gotcha

I don't know how to say this  
I hope this song's on your playlist  
This feeling's so hard to explain  
I don't even know how to talk right now  
It's I-need-you o'clock right now  
I want you to hear me say

Moonlight sunrise  
Baby, come be my starlight  
Moonlight sunrise  
Oh baby, just to make you stay  
Moonlight sunrise  
Baby, let's do it all night  
Moonlight sunrise  
I guarantee I gotcha

Loving undefeated, on your knees pleading  
Baby, you can hit up my line when you need it  
Said that you tried, baby, you succeeded  
Got a craving, baby, can you feed it?  
Took a trip under moonlight  
Follow me to the sunrise  
Every day, every night  
Ay, come with me, don't think twice

Oh yeah, baby, I don't really mean to rush (Oh yeah)  
But I'ma really need your touch  
If I'ma make it through the night  
I got the moonlight  
Tequila sunrise
