

# MOONLIGHT

TWICE

Your eyes are glowing in the dark  
Lighting the way to where you are  
Ain't nothing pulling us apart  
When we're together

Diamonds are everywhere, they are all that I can see  
Close isn't close enough for you to be to me  
I wanna be the air, be the air you breathe  
Hold you forever

Ooh, all the stars above  
Got nothin' on you, baby  
And your love is shining like the sky  
But all I want tonight

You and I  
Dancing in the moonlight  
Kiss you when the moods right  
Baby, I don't want nobody else, but

You and I  
Dancing in the moonlight  
Kiss you when the moods right  
Baby, I don't want nobody else, but

Yoo-hoo  
Yoo-hoo-ooh-ooh-ooh-ooh, ooh-ooh-ooh  
Yoo-hoo  
Yoo-hoo-ooh-ooh, ooh-ooh-ooh

Summer, it never had a chance  
Winter could melt inside your hands  
You do it all because you can  
Don't you forget it

Ooh, all the stars above  
Got nothin' on you, baby  
And your love is shining like the sky  
But all I want tonight

You and I  
Dancing in the moonlight  
Kiss you when the moods right

Body on me  
You know that I'm what you need  
I'm your favorite recipe  
Got that boss type of energy, yeah, yeah

Baby boy, you got my heart  
Craving your love, your touch  
Hope you don't mind  
Trying to take a trip under the moonlight

You the one that I want  
In my feels so deep, like I'm in a dream  
And I don't want to wake up  
And it's all because of you, I'm sprung  
All I think about is you and us  
You're all I want tonight

You and I  
Dancing in the moonlight  
Kiss you when the moods right  
Baby, I don't want nobody else, but
