I'm not gonna try to please you anymore
Cause I deserve it deserve it
Even if you dislike me for a moment, I won't worry
Cause I know you I know you

Try to avoid my eyes
Try to hide how you feel
Try to run away from me, no no
When you open your eyes again
When you start thinking about me
You are gonna be mine again

You're gonna say
More more more more more and more
Can't stop
More more more and more
So one more time
I wanna have
More more more more more and more
Don't wanna stop
More more more and more
So one more time

Can't stop

More and more
So one more time
Don't wanna stop
More and more
So one more time

Do you feel me
Do you believe you are the one for me
Only for me only for me
There's no need to say those mushy things
Cause you know me you know me

Even if you keep covering your ears
Even if you push me away
Even if you wander far from me (far away) No no
When I call you again
When you hear my voice
You are gonna be mine again
Yeah one more time

You're gonna say
More more more more more and more
Can't stop
More more more and more
So one more time
I wanna have
More more more more more and more
Don't wanna stop
More more more and more
So one more time

Can't stop
More and more
So one more time
Don't wanna stop
More and more
So one more time

I'm naturally selfish, sorry if you didn't know
Let me first apologize, cuz I want you more more
Don't need your opinion, gonna steal your heart
You will fall for me, you can't say no no
I am a stray cat today for sure
I'm here to get you, just you wait
Don't go too far, come to me again, come come
Yeah one more time

Can't stop
More and more
So one more time
Don't wanna stop
More and more
So one more time
