Nega arachaegi jeonkkaji
Gandanhi emoji
Jeonghwaki obun dwi
Nae gibuneul mureo
Oneureun mwol haneunji

Know what we need to do

I
Don't wanna complicate it (No)
Bogo sipeungeol
Algo sipeo, time and place, place
I won't wait, wait
Let's misbehave-have
You know I need to

I need to feel your rush
Drive me crazy and I know
I just can't get enough
I need to feel your rush
When you're not next to me, I
I'm running out of love (Love, love, love, love)

Hours and hours
Na jigeum eotteokae, baby
Nunchi eopsi
Nega pillyohae ppalli
I need to feel your rush
Drive me crazy and I know
I just can't get enough

Pillyohan geon mwodeun dama
Uri dulmanui secret, tema
Close my eyes, turn around
And you come hold me tight
Nine to nine, you're on my mind all day
You're my world and my sweet escape
Take my hand and let's run away
Oh, yeah, let's run away, baby

I
Don't wanna complicate it (No)
Bogo sipeungeol
Algo sipeo, time and place, place
You won't wait, wait
Let's misbehave-have
You know I need to
