

SET ME FREE

TWICE

I want it all and I ain't ever gonna settle
Even if all of this is just a fantasy
Cause I been hidin' how I feel for you forever
Now that it's off my chest there's room for you and me

No no no no no
I won't ever let go
Don't wanna keep it secret
I'd rather keep you sleepless, you know

You make me wanna risk it all
I'm rolling high on a feeling
Gonna set me set me set me free
All these words like a waterfall
When I say it I mean it
Gonna set me set me set me free

Cause you bring out the best of me
All the things I'm ready to be
Yeah gonna set me set me set me free
I want all eyes on me
And when we touch everyone can see
Yeah gonna set me set me set me free

Go and say that I'm a fool bein' impulsive
But baby what's out of sight is never out of mind
Maybe I'm jumping into this with eyes wide open
Cause you got me dreaming even in the morning light

No no no no no
I won't ever let go
Don't wanna keep it secret
I'd rather keep you sleepless, you know

You make me wanna risk it all
I'm rolling high on a feeling
Gonna set me set me set me free
All these words like a waterfall
When I say it I mean it
Gonna set me set me set me free

Cause you bring out the best of me
All the things I'm ready to be
Yeah gonna set me set me set me free
I want all eyes on me
And when we touch everyone can see
Yeah gonna set me set me set me free

I'm here to tell you straight
No matter what they say
You got a hold on me
But I never been more free

You might make a couple mistakes
But I know we'll always make up and you'll make me feel special
Everything that I need I'm completed
Don't gotta ask questions

Cause this is official uh

You make me wanna risk it all
I'm rolling high on a feeling
Gonna set me set me set me free
All these words like a waterfall
When I say it I mean it
Gonna set me set me set me free

Cause you bring out the best of me
All the things I'm ready to be
Yeah gonna set me set me set me free
I want all eyes on me
And when we touch everyone can see
Yeah gonna set me set me set me free
