Could it be that you've noticed it?
My heart that has ripened to be bright red
It can't be, can you see it?
What is it, you keep looking at me so much it tickles

You seem to come here often
Is is all really just a coincidence?
Once, twice, three times, after that
Just do it, take my hand

Like a strawberry you have a lot of freckles
So like a strawberry you're sweet and sour, so cute
So sweet, no need to add any sugar
The way you are is, yeah
Oh so sweet

Berry, very, I like strawberries
The story only you and me know
I've been waiting only for you
Here, here, here is my heart, ooh boy

I don't want anyone to steal you
So I secretly hide you, it's all mine
So what if I'm being greedy?
I'm the one who likes you more, that's how you make me

Because you're sweet, too sweet
My head is spinning, I'm dizzy
So don't stop
Just do it, take a chance
I just wanna love

Like a strawberry you have a lot of freckles
So like a strawberry you're sweet and sour, so cute
So sweet, no need to add any sugar
The way you are is, yeah
Oh so sweet

Berry, very, I like strawberries
The story only you and me know
I've been waiting only for you
Here, here, here is my heart, ooh boy
