Ready, ready go  
Keep it going on  
Never, never stop  
Keep it going on

Don't let me down, don't let me down  
Don't just dream, no way  
Stop being full of excuses  
Like "it's impossible" or "it's a waste of time"

More than doing anything  
Let's do things that we can do  
Show courage to take a step forwards  
Make your wish upon a star

Getting back up stronger stronger  
Immediately, take a chance now  
Keep writing the story  
So as to aim much higher and higher  
Overcome it, higher higher  
Even while worrying, step up  
Definitely, on the tear stains there will  
Only be an engraved pride, glory

Not anyone's, not anyone's  
You can't imitate anyone, live your life  
I don't want things like  
'Not allowed' and 'allowed' to be decided

Have a look, change, change brilliantly  
Gleaming sunlight, hiding midnight  
Do you want to be reborn?!  
We'll spin like the earth  
We won't stop, we can't stop  
So get a move on, move forward  
Gotta go gotta go yo  
To get to colourfully illuminated days

I can fight, stronger stronger  
Countless times, take a chance now  
To resonate through a much wide, wider world  
Connect, following  
Challenge it higher higher  
Even while hesitating, step up  
Definitely, within the pain and hurt there will  
Only be dwelling an unshakeable belief

Ready, ready go  
Keep it going on  
Never, never stop

Ready, ready go  
Keep it going on  
Never, never stop

Getting back up stronger stronger  
Immediately, take a chance now  
Keep writing the story  
So as to aim much higher and higher  
Overcome it, higher higher  
Even while worrying, step up  
Definitely, on the tear stains there will  
Only be an engraved pride, glory
