

## Talk (Nayeon, Jihyo)

TWICE

Yeah  
Hmm, mm  
Talk to me, talk to me

Why my messages ain't going through tonight?  
Got me panicking, I want you by my side  
'Cause I'm not better alone, not better alone, ooh  
Baby, pick up the phone, I'm missing your tone, ooh  
Now, I'm having flashbacks, whoa

I feel like I'm on replay  
Every sound, every word, like a DJ, ah, yeah  
Easier to just say that you care, no, no  
Now I gotta replay  
All the times that you went did me dirty, no, no  
If the roles were reversed  
Would you still put me first?

Why can't you just talk, talk, talk, talk, talk, talk, talk to me?  
Baby, know that you can talk  
You ain't gotta walk, walk, walk, walk, walk, walk, walk, on me  
Trust me, you ain't gotta walk  
Always gon' love you down  
Stuck around, don't be actin' shady  
Talk, talk, talk, talk, talk, talk, talk to me  
Talk to me, talk to me

We were friends, first of all, don't you lie  
Read your eyes, call me right to you  
Just cut me some slack  
Ain't stupid like that, ah, yeah  
I could feel everything  
Over time, overthink  
I can see through ya  
A woman's intuition ain't never wrong, no

Feel like I'm on replay  
Every sound, every word, like a DJ, ah, yeah  
Easier to just say that you care, no  
Now I gotta replay  
All the times that you went did me dirty, no, no  
If the roles were reversed  
Would you still put me first?

Why can't you just talk, talk, talk, talk, talk, talk, talk to me?  
Baby, know that you can talk  
You ain't gotta walk, walk, walk, walk, walk, walk, walk, on me  
Trust me, you ain't gotta walk  
Always gon' love you down  
Stuck around, don't be actin' shady  
Talk, talk, talk, talk, talk, talk, talk to me  
Talk to me, talk to me

Yes, I got a couple questions  
Don't let me be ignored  
You're supposed to be the man for me  
The one I adored

I gave you all of me  
So tell me what it be, oh yeah  
If you acting crazy, promise you, I'm gonna know  
Hello?

Why can't you just talk, talk, talk, talk, talk, talk, talk to me?  
Baby, know that you can talk  
You ain't gotta walk, walk, walk, walk, walk, walk, walk, on me  
Trust me, you ain't gotta walk  
Always gon' love you down  
Stuck around, don't be actin' shady  
Talk, talk, talk, talk, talk, talk, talk to me  
Talk to me, talk to me
