The Feels

TWICE

Boy I boy I boy I know
I know you get the feels
Boy I boy I boy I know

Uh, I'm so curious
'Bout you boy, wanna keep it cool
But I know, every time you move
Got me frozen I

Get so shy
It's obvious

Catching feels like butterflies
If I say what's on my mind
Would I hit bullseye

Shoot
I'm ready, aim and fire
Baby I

Feel like cupid's alive
Alive tonight
Yeah tonight

If your heart beats the same way let me know
(let me know)
Cos I'm boom boom boom
from head to toe and I
(from head to toe)

I know love it is such a funny thing
A mystery allure
Gotta get to know you more

Cos I, I can feel a real connection
A supernatural attraction-ah

I got the feels for you yea yea yea yea

You have stolen my heart, oh yeah
Never let it go oh oh no
Never let it go oh oh oh

Lightning straight to my heart, oh yeah
I got all the feels for sure
Yeah, I got all the feels for ya

Boy I boy I boy I know
I know I get the feels
Boy I boy I boy I know
I know you feel it too

Sway in the moonlight, Dance in the dark I
I know that I caught your eye

Are we on, the same vibe I
wonder what's on your mind

Cos you got me good and I wanna be ya boo
If it’s dumb well I wanna be a fool

Underneath the neon lights bebe
Electricity tonight bebe

I know love it is such a funny thing
A mystery allure
Gotta get to know you more

Cos I, I can feel a real connection (connection)
A supernatural attraction-ah (attraction)

I got the feels for you yea yea yea yea

You have stolen my heart, oh yeah (oh yeah)
Never let it go oh oh no
Never let it go oh oh oh

Lightning straight to my heart, oh yeah
I got all the feels for sure
Yeah, I got all the feels for ya

Boy I boy I boy I know
I know I get the feels
Boy I boy I boy I know
I know you feel it too

Boy I boy I boy I know
I know I get the feels
Boy I boy I boy I know
I know you feel it too

You got my attention
So what’s your intention
Yeah, tell me baby what’s the deal?

Oh, one look and I know it baby
my eyes reveal
That you you you give me the feels

You have stolen my heart, oh yeah (Oh yeah)
Never let it go oh oh no
Never let it go oh oh oh

Lightning straight to my heart, oh yeah (I-I-I)
I got all the feels for sure
