I do not know what to do all day.
 I was busy trying to call you.
 It's so hard to make calls.
 It hurt to write a few letters.
 I do not even think about it.
 If you like a friend,
 Pretend to be busy while you play
 Please do not ask for a lot.
 The first one happened now.
 I'll go somewhere second.
 Before the third sleep good night
 What more do I want
 Three times a day, just three times
 That's great.
 Three times a day, just three times
 I need to get in touch.
 More and more ideas are getting more and more (hoo)
 My imagination is a point, a point, a happy ending,
 It's so hard to make calls.
 It hurt to write a few letters.
 I do not even think about it.
 The game is more fun than me.
 I feel more alone without me.
 What the hell am I to you
 The first one happened now.
 I'll go somewhere second.
 Before the third sleep good night
 What more do I want

Three times a day, just three times
That's great.
Three times a day, just three times
I need to get in touch.
Even if I meet you I'm always lonely (I'm dating)
It's good when you're too old (when you're good)
Before leaving
The first one happened now.
I'll go somewhere second.
Before the third sleep good night
What more do I want
Three times a day, just three times
That's great.
Three times a day, just three times
I need to get in touch.
Three times a day, just three times
