TWICE!
What is love?

Every day, in a movie
In a book or in a drama, I feel love
Um- I learn about love
My heart keeps beating as if it's my own story
Makes my heart pound and swell with hope
Um- I want to know so bad

Ooh, maybe someday
Could it happen to me too?
When will it be? Who will it be?

(I wanna know) How it could be as sweet as candy?
(I wanna know) How it's like flying in the sky?
I wanna know know know know
What is love?
What love feels like?
(I wanna know) How it keeps you smiling all day?
(I wanna know) How the whole world turns beautiful?
I wanna know know know know
What is love?
Will love come to me someday?

Just imagining all of this
Just thinking about it
Almost makes my heart burst
Um- How good it feels?
If, one day, for real
Love does comes to me, I might just cry
Um- I really want to know how it feels

Ooh, maybe someday
Could it happen to me too?
When will it be? Who will it be?

(I wanna know) How it could be as sweet as candy?
(I wanna know) How it's like flying in the sky?
I wanna know know know know
What is love?
What love feels like?
(I wanna know) How it keeps you smiling all day?
(I wanna know) How the whole world turns beautiful?
I wanna know know know know
What is love?
Will love come to me someday?

Where in the world are you right now?
Just when will we get to meet each other?
When and how might our relationship starts?
I don't know right now, but somehow I feel
That it will be really good
Better than any movie or drama
The greatest love will come
My gut instinct is always right
C'mon, show yourself, i'm all set, Ready!

(Wonder where you are) I'm gonna find you
(Wonder where you are) I'm so dying to see you
I can't take it much longer

How it could be as sweet as candy?
How it's like flying in the sky?
I wanna know know know know
What is love?
What love feels like?
How it keeps you smiling all day?
How the whole world turns beautiful?
I wanna know know know know
