

Thank You for Keepin' Your Hand on Me

Twila Paris

Thank You for keepin' Your hand on me
Even when I tried so hard to be free from Your touch
You loved me so much that you didn't let go
Oh, thank You for keepin' Your hand on me

Even when I was busy chasin' rainbows
Even then, I knew Your love would follow me
What a friend, there is nowhere that I can go
Below Thee or above
I can't lose Your neverending love

Lord, thank You for keepin' Your hand on me
Even when I tried so hard to be free from Your touch
You loved me so much that you didn't let go
Oh, thank You for keepin' Your hand on me

Even though it seems that all I do is struggle
Even so, I never meant to get away
Don't let go, I know I've been a lot of trouble
But we know that I'm growin'
Oh Lord, I only hope it's showin'

Thank You for keepin' Your hand on me
Even when I tried so hard to be free from Your touch
You loved me so much that you didn't let go
Oh, thank You for keepin' Your hand on me

Thank You for keepin' Your hand on me
Even when I tried so hard to be free from Your touch
You loved me so much that you didn't let go
Oh, thank You for keepin' Your hand on me
