

To Do Your Will

Twila Paris

Lord, I believe You will keep Your promise
Lord, I believe You will follow through
Lord, I believe You will send upon us
Power enough so we all can do Your will

Until the job has been well done
To do Your will
Until we know the war is won
To do Your will
Until You come to take us home
To do Your will

Lord, I believe You will go before us
Lord, I believe You're behind us too
Lord, I believe You will never leave us
You give us all that we need to do Your will

Until the job has been well done
To do Your will
Until we know the war is won
To do Your will
Until You come to take us home
To do Your will

Lord, I believe You will keep Your promise
Lord, I believe You will follow through
Lord, I believe You will send upon us
Power enough that we've got to do Your will

Until the job has been well done
To do Your will
Until we know the war is won
To do Your will
Until You come to take us home
To do Your will
To do Your will

To do Your will
Until the job has been well done
To do Your will
Until we know the war is won
To do Your will
Until You come to take us home
To do Your will
