

With The Flow

Twilightning

It is too hard to comprehend?
There's no need for a helping hand
Can't keep the monkey out of shame
Out of blame and lies
Whip that grin from your face
Let me hide my own disgrace
Dogs lead the chase you hear?
Chase of blame and fear
Hey Mr.Gigolo, why can't you see?
It's different when I don't want to be like me
I can show you there's an easy way to the world of
painless lies
I can take you now to my better world, of queens with
closed eyes
I can show you there's an easy way to let it an just go
Drop with the flow
Let them kiss my diamond ring
Lick all the dirt from my feet
I will lay myself on their thrones
Controlling blood and bones
Like a dancing headless toy
Peering in to the garden of joy
Can't keep the monkey out of shame
Out of blame and lies
