

Oh! Euphoria!

Twin Atlantic

Infected, ready for sun
A pink cat on a lucky run
Meltin' on the bathroom floor
White noise, I'm ready for more

Look at the bigger picture
Look at the dying stars
Dying to get to meet ya
Look at what you've been missing
Oh, Euphoria
Where's my revolution?

I'm ready for, I'm ready for the truth
I understand that I'm a liar too
It takes one to know one
It takes one to know
That I'm ready for, I'm ready for the truth

It takes one to know one
It takes one to know

Selfish lava throat
Blanket for the firing squad
Dead leg for the monkey man
Atlas, catch me if you can

Look at the bigger picture
Look at the dying stars
Dying to get to meet ya
Look at what you've been missing
Oh, Euphoria
Where's my revolution?

I'm ready for, I'm ready for the truth
I understand that I'm a liar too
It takes one to know one
It takes one to know
That I'm ready for, I'm ready for the truth

It takes one to know one
It takes one to know
It takes one to know one

I'm ready for, I'm ready for the truth
I understand that I'm a liar too
It takes one to know one
It takes one to know
That I'm ready for, I'm ready for the truth
I'm ready for, I'm ready for the truth
I understand that I'm a liar too
It takes one to know one
It takes one to know
That I'm ready for, I'm ready for the truth
