Crushed

Twin Shadow

You say your mind is rushed
I feel that mine is empty
And I'm crushed
I'm crushed

I know all the ways I can
You know all the ways I can't be
So I am crushed
Yeah, I am crushed

You played up all your innocence
And I downplayed experience
And I can't believe I got so dumb
And led myself to think
A kiss is love

Yeah, I am crushed
I am crushed
I am crushed
I am crushed

I fell onto the beach
With everybody's envy
It doesn't matter cuz
I am crushed
Yeah, I am crushed

In my words I am alone
In your silence you resent me
I am crushed
Yeah, I am crushed

You played up all your innocence
And I downplayed experience
I can't believe I got so dumb
Hesitate
A kiss is love

Yeah, I am crushed
Oh I am crushed
Yeah, I am crushed
I am crushed
Yeah, I am crushed
