

## Johnny & Jonnie

### Twin Shadow

I look good in sunlight  
You want me to act right  
Who cares who wants my skin  
You'll keep them away

This city too violence  
Let's get to New Orleans  
Get me to the quarter  
Texas in our way

Johnny Rob  
Jonnie Roll  
Johnny's taking care of my soul  
Johnny stop  
Jonnie go  
Johnny take good care of my soul

I look good in my dream  
Fuck those Federales  
Escape Dallas county  
We'll make it I swear

This city's too quiet  
Let's get to New Orleans  
I know that you're tired  
Let's go anyway

Johnny Rob  
Jonnie Roll  
Johnny's taking care of my soul  
Johnny stop  
Jonnie go  
Johnny take good care of my soul
