

# Runaway

Twin Shadow

You fell out of my name  
'Cause I must've lost my tolerance  
Been covering my pain talking to a quiet audience  
I knew that crash was coming then  
I felt it in my blood  
Great grandma was a voodoo girl  
She told me bout the flood

She sang boy, you are a runaway  
You won't have nothing in your hands until you give it all away Boy,  
you are a runaway  
And nothing's gonna change unless you change

I'm sorry I can't talk right now  
Some things are out of my control  
My father's in the jailhouse, no  
I think he's in the hospital  
My mother is incredible  
She's held us for so long  
She's like the breath behind my words  
Should have the rights to all my songs

She sang boy, you are a runaway  
You won't have nothing in your hands until you give it all away Boy  
you are a runaway

And nothing's gonna change unless you change

I've always been a shy kid  
There's a shadow on my name  
I've learned you're supposed to deal with it  
I've had a taste of fame  
But somethings always holding back  
My politeness isn't fought  
But it's never done me any good  
I should probably let it go

And say boy, you are a runaway  
You won't have nothing in your hands until you give it all away Boy,  
you are a runaway  
And nothing's gonna change unless you-  
Nothing's gonna change unless you change

Out of nowhere  
I'm leaning in your window, singing  
Songs out of your soundtrack  
Play it back  
Permanently into your heart

Boy, boy, you are a runaway  
Boy, boy, nothing in your hand  
Boy, boy, you are a runaway  
Boy, boy, nothing in your hand
