Twista

Yea  
Twista  
Woo

Tell me why I'm always hearing stories bout a nigga name in a nigga mouth (Woo)  
And why the drama follow you and you don't want it is what I be tryna figure out (Woo)  
Its a fact that I happen to have a good life its a fight and now I'm not struggling to get it (Yea)  
Persevering through all of the interference how I did it  
I don't know I think it must have been the digits  
Tell me why do everybody always hating a go getter when they making money (Why)  
All I'm hearing is the talking on the block about how niggas wanna take it from me  
How they gonna hit me while I'm splurging  
Talk about the way they gonna get at me while I'm swerving  
And about the way I'm spending like I be serving  
Talking bout I be acting like I'm a different person (Ugh)  
Well fuck them haters they don't know me (Nope)  
I don't let them get up on me (Nope)  
I keep smoking on the OG (Yea)  
I keep rollin on them Forgies (Yea)  
I'm the one you gots to know whenever asking for when my respect is took  
I be keeping them haters having to feel it wit  
The type of shit to make a nigga take a second look  
I be

I do my own thing do my own thing no permission (No permission now)  
I like my weed loud and my beat up when I'm whipping (Yea)  
Make sure when you pop shit you be bout it bout it cause I'm wit it  
I knew it from day one I was a real one I was different

I knew I was a lil different  
Knew it from day one I was a real one I was different  
I was just a lil different (I was just a lil different)  
From day day day day day one

I be on my own dick  
I don't ever ask a nigga man for shit  
I get money I get paper man I get chips  
Baby I'm the it  
Yea ride European whips  
Got sauce, got style, got swag, got drip  
Got a 40 wit a 30 round clip  
Spit game to your dame have that ho on dick  
I am legend round here feel like Will Smith  
You could check my resume yea boy write hits  
See my name in the credit and you like oh shit  
I ain't even know Mistah F.A.B. wrote this  
You keep it on the under like a nigga tryna sneak  
But just keep it 100 aint a nigga like me  
Carmen San Diego ain't no tellin where I might be  
Went from being Hy-phy man to charging high fees  
I see I see  
Wet, boy , hmm, yea that nigga really got sauce

I be staying away from swagger jackers  
Dagger stabbers they be tryna to rip a nigga off  
Ask my nigga Ross I'm a boss  
Took a loss and a nigga bounced back  
And 1 getting money yea you can count that  
Spike Lee of the Warriors I'm a NBA fan  
Big head balling like a nigga NBA Jams damn

I do my own thing do my own thing no permission (No permission now)  
I like my weed loud and my beat up when I'm whipping (Yea)  
Make sure when you pop shit you be bout it bout it cause I'm wit it  
I knew it from day one I was a real one I was different  
I knew I was a lil different  
Knew it from day one I was a real one I was different  
I was just a lil different (I was just a lil different)  
From day day day day day one

Big blunts I be blowing loud  
I might knock a nigga in his mouth  
If he don't know what he be talking bout  
I'm the type that's finna clear it out  
I'm the type that's finna talk none, finna move smooth, nigga jot it down  
You the type that's finna wave a gun  
You ain't shot shit nigga you is a clown  
I get real fly like the tooth fairy  
I come from a city that's real scary  
No Elm Street  
I know some niggas who make the chopper sing like Ms. Carey  
Ain't a bitch that could fuck with this  
I mean really really really fuck with this  
Niggas in they feelings I'm in my bag  
Catching flights is all on my bucket list  
I'm in the airport in Beijing  
I got two niggas saying the same thing  
About how they love me and ride for me  
Kill a nigga dead ride for me  
Off with niggas head I'm a queen  
Thought she was the one instead of me  
None of my niggas be doing drugs  
All of my niggas be smoking weed

I do my own thing do my own thing no permission (No permission now)  
I like my weed loud and my beat up when I'm whipping (Yea)  
Make sure when you pop shit you be bout it bout it cause I'm wit it  
I knew it from day one I was a real one I was different  
I knew I was a lil different  
Knew it from day one I was a real one I was different  
I was just a lil different (I was just a lil different)  
From day day day day day one
