

## Ferocious

## Twista

I be the grossest, nigga spitting dirt about the hood, then that go with the  
flow that's ferocious  
Kill 'em off with the minimum dosage, you don't wanna see the result of my ultimatium when I focus  
And I got the streets on lock, Muthafuckas feast on Twist like they feast on Pac, I'm a beast and the beats don't stop  
Twista and the Legendary Traxter and we so hot  
Kill 'em off if we ever get into it in a minute I'mma murder em and put 'em in a body like ain't nothing they can do about it  
Dump 'em in the streets you'll never know it was get money that was in the controversy cause I off whoever knew about it  
Take it up another level when im off of tropical, the reason I went overdosing off my mentality  
Phys-i-cally I be from the inner city yeah the Windy City but I'm spiritually from another galaxy  
And I be... one of them... niggas that... never do... give a fuck... what you say as long as Ima get em up  
Witness that I fly, look at the way I kick back, niggas in the chi guest you can say I spit that  
Devin Hamster, D-Rose, never see me at a show with cheap clothes, take over the game no cheap code  
Ima ball like shaq no free throws, im on...  
When it be coming to this rap shit im top shotta  
Mid-west god father, hotter in the city like bambaataa  
And ima damn problem, a speedknot mobstaz  
Blowing on the top ganja  
Everything I wear cost top Doller

If your on what im on come fuck with me  
If your about getting money come fuck with me  
If you blowing on loud come fuck with me  
If you need a new style come fuck with me

Ima the higgs boson  
Blast and the raft lance vic with voltons  
Come on write that over more gigs and role bombs  
Make you have to hold your kids in your arms  
Got you the remedy we stand the test of time like ima the statue of liberty  
And ima bringing the raft of my enemy and I am immortal when im in a portal  
Full of math than chemistry  
Telling you that ima get em when I see you coming with the rhetoric  
That let me know that you want to get annihilated  
I am at the pinnacle when on the beat I leave a enemy at the back of me and anybody violated  
Put em at the bottom of the barrel ima animal I kill em with the ammunition  
There ain't gonna be no murdering me  
Coming to the surfaces of the earth ain't no purposes in rukus, worth of a person holding hundred million money for me  
Protons, neutrons, electrons  
Building blocks to a decepticon  
You just met with tron  
Don't upset lebron  
Kobe Wan Kenobi  
Left hand ima black ginobili  
Shoot em no more monetarily death and holy matrimony  
Shit on muthafuckas if I ever catch em acting phony  
When it be coming to this rap shit im top shotta

Mid-west god father, hotter in the city like bambaataa  
And ima damn problem, a speedknot mobstaz  
Blowing on the top ganja  
Everything I wear cost top Doller

If your on what im on come fuck with me  
If your about getting money come fuck with me  
If you blowing on loud come fuck with me  
If you need a new style come fuck with me
