

## Slow Jamz

## Twista

Are you gonna be? Say that you're gonna be  
Oh, oh, oh, oh, oh

She said she want some Marvin Gaye, some Luther Vandross  
A little Anita will definitely set this party off right  
(are you gonna be, are you gonna be, are you gonna be  
Are you gonna be, are you gonna be, well well well well)  
She said she want some Ready for the World, some New Edition  
Some Minnie Ripperton will definitely set this party off right  
(are you gonna be, are you gonna be, are you gonna be  
Are you gonna be, are you gonna be, well well well well)

It definitely will  
You know what I told her

I told her to drive over in yo new whip, bring some friends you cool wit  
I'ma bring the cool whip, then I want you to strip  
See you is my new chick, so we get our grind on  
She be grabbing me, calling me Biggie like Shyne home  
Man I swear she fine homes, why she always lying though?  
Telling me them diamonds, when she know they rhinestones  
She got a light-skinned friend look like Michael Jackson  
Got a dark-skinned friend look like Michael Jackson  
I played 'ready for the world', she was ready for some action  
My dog said you ain't no freak , so you bout to prove my man wrong  
I'ma lay this Vandross, you gon take yo pants off  
I'ma play this Gladys Knight, me and you gon get right

Now Kanye, I know I told you to slow it down  
It's good, it's all good, it's beautiful  
But now I need you to do it faster baby, can you please - do it faster, do it  
Faster  
Damn baby, I can't do it that fast but I know somebody who can, Twista!

When I catch you looking at the glist on my hands and wrist  
While I'm laying back smoking on my cannabis  
When it come to rocking the rhythm like Marvin and Luther  
I can tell you when I'm messing wit Kan man and Twist in the Chi  
And I be sipping hennessey, play some R&B  
While I smoke a b - you can preferably find that I'm a G  
And all this (well well well well)  
Come wit me and sip on some Evelyn Champagne  
You ain't know Twista could work it like the Whispers?  
Hit the stop light, move it to some Isaac  
His rims still moving so I bump a lil Spinners  
While I'm smoking on a b - dipping through the streets  
Bumping r&b, and I got the leaf, on the 23's  
And I do it (well well well well)  
Wit my Earth in the Wind smoking Fire  
Let me get ya sheets wet listenin to Keith Sweat  
Put you in a daze wit Maze  
Fulfilling her wit every temptation, slow jam, and havin deep sex  
You ready for the world girl, baby come on go wit me  
I touch you all over your body baby don't say no to me  
And every moment controlling me  
I love the way you be holding me when I be listening to Jodeci

And when I come over and bend ya ass, you be bumping Teddy Pendergrass  
I done hit it from the back, to the melody and rode it slow  
Now I got to go up in it fast, but I'ma finish last  
No matter how much of a thug you see  
I still spit it like it's r&b, come to the club wit me  
And when some Luther come on I hope you feeling me  
And still will be in love wit me
