

Stick Up - Part 2

Twista

Whatcha gon' do when we come for you?
It's a stick up
Put yo hands up
Tell me whatcha gon' do when we come for you?
It's a stick up
Put yo hands up

We came for them, now they comin' for us
Whatcha gon' do when yo time is up?
We was unprepared for this lickin' plus
We been on the run from dawn to dust
Wrong nigga, wrong place, wrong car, wrong time
Guess I was greedy, shoulda kept the shine
But it ain't nowhere to run, nowhere to hide
Fuck it, ain't givin' up nigga it's ride or die

They got us on the run now, in a high-speed chase
Holdin' the Feds at gun point with no getaway place
Nigga look quit bitchin', I ain't even ask for yo help
You keep talkin', I'ma burn both of y'all and get away myself
Man them streets got roadblocks, there's choppers in the ghetto
Shinin' them lights on us, and them streets gettin' narrow
Nigga the path I chose got exposed by yo ass
Either get the ?? plenty ice and more cash
Nigga shut the fuck up, I got another plan
Here we go again
Bust 2 warnin' shots to remind 'em, we still got it man
Tell 'em to lose the choppers, and if they don't we pop 'em
See all them cars behind 'em, shit I'm itchin' to stop 'em
My adrenaline's rushin', these bitches done ??
Robert Taylor raised me, nigga the hood got me scarred
Damn Bennie, but this that real dilly
And we done showed our asses like Mr. Billy
Man here they come!!

Man I ain't in no joint, I got 2 strikes plenty
I'm finna exit on 51st so we can get loose in a buildin'
Man we got a quarter tank of gas and a briefcase full of cash
Back seat full of yag and the PIG's right off on our ass
Nigga look the yag counterfeit, remember this a hit
They was supposed to escort dude but shit the bank we done hit
Man it's the only chance we got to bust shots at them hoes
Hand out the first meal so maybe the rest'll fold
Nigga you watch too many movies
Fuck that, it's our only chance
Grab the wheel muthafucka so I can aim at the van
Man you stole a ride, sittin' on some shit that I ain't never seen
By you bein' too greedy, this shit still all a dream
Man what the fuck, you givin' up nigga I don't need that
But in how the fuck we supposed to get away with just two straps?
Now I could see if it wasn't no choppers nigga we might can escape
Fuck it nigga here go the Nextel, negotiate
Tell 'em what we want
Shoot!!
Hey c'mon guys, I know you guys can do better than this
Now you need to slow it down
We gettin' the whole ? surrounded

Got the choppers and everything
What is it? I mean you guys can talk - c'mon let's negotiate
You guys are goin' down, I mean what is it you guys want?
We need a helicopter at 552 . . .
Gimme that!!
Man I'ma give you a list of 20 muthafuckaz at the MCC Buildin'
If they ain't released in 24 hours, yo boy outta here!!

Now you see what the fuck I'm talkin' about, they offerin' us shit
They don't give a fuck about me, you, or this Fed bitch
Fuck negotiatin' with them niggaz, I'm finna off this nigga
Now what the fuck we gon have as collateral if you pop this nigga?
Remember dude in the trunk, he don't really mean nothin'
Look at the gas tank, Oh no lie, Bennie I'm runnin'
You ol' fool ass nigga, how far you think you gon' get?
Man that's the whole damn state
Do you know how much time we facin'?
Basically look at the situation, man I ain't got nothin' to lose
It damn 2001, my shorty need more shoes
Probable cause, duckin' from laws, used to be fun
Now this'll cause us to probably to live a life on the run
Man this negotiatin' shit ain't workin' fast, they need to hurry
We could probably get into the buildin' but I sho' ain't certain
Yo was this really worth it?
That's some shit you shoulda asked yourself
We in to deep and ain't nothin' but action left - c'mon

Man what the fuck, man this muthafucka done ran outta gas man
Man shut the fuck up (Man please let me go man)
Man both of you muthafuckaz shut the fuck up
Now I'ma ? this muthafucka and you gon' escort him in the buildin'
And yo cover me man (I can't go in no buildin' man)
What about dude in the trunk man?
Man fuck dude in the trunk
