

Tonite

Twista

Let me show you how it feels to touch the sky
We can both be who we are because tonite is our nite
And we were made to shine

Baby tonite girl

Let me show you how it feels to touch the sky

Touch the sky

We can both be who we are because tonite is our nite
And we were made to shine
Shine shine

Windows all tinted, who dat

Take a glance who all in it, get back you gotta move your hands it's authentic the track, I see u doing your dance u all in it, come into forever land and pay a visit, can u do it dirtier than Diana did it, and if u think u the man come on admit it, and if she think I'm the man I wanna hit it, pardon me if u think I'm talking too soon, Gissepi penny loafers and we can walk to the moon, I can tell u I feel like u a thriller, me I'm a boss with the swag of a drug dealer, who came across somebody who got work ethic playing off the ball, u got it and I can see u living off the wall, u do it and u gone do it right, and I'm so happy u mine we bout to shine cause; hook

Baby tonite girl

Let me show you how it feels to touch the sky

Touch the sky

We can both be who we are because tonite is our nite
And we were made to shine
Shine shine

It's all us, yep, red bottoms on tatted all up, subtract nope I want u to add it all up, the facts a power couple is what they call us yep, really gleam in a Chicago illi theme, we're a team and I feel like u looking like Billy Jean, when u walk the ground light up, and when u talk u brighten the whole night up, let's take a shot so we can party the night up, look at you dance, like it's diamonds on your glove when I look at your hand, you're the finest in the club take a look at your fans, and the women get jealous when they look at your man, body so bad I just gotta give props to u, cars go pass and all of them will stop for u, to the sunlight I think I want to rock with u, so high that we can fly so; hook

Baby tonite girl

Let me show you how it feels to touch the sky

Touch the sky

We can both be who we are because tonite is our nite
And we were made to shine
Shine shine
Just like the stars we where made to shine
Tonite is our nite and we were made to shine

Let me show you how it feels to touch the sky
We can both be who we are because tonite is our nite
And we were made to shine

Baby tonite girl
We were made to shine

Let me show you how it feels to touch the sky

Touch the sky

We can both be who we are because tonite is our nite
And we were made to shine
Shine shine
