

What Would Twista Do If He Wasn't Rappin'

Twista

Wonder what Twista would be doin' man, if he wasn't rappin'?
It's a beautiful day for racing, and we have four beautiful horses
Everybody get your bets in, Were gonna see whose gonna be coming up outta the back
We have Sugar foot, we have lighting and we have coming to get'em, and we have rippin' them up into shreds
And there off!
Now who is gonna be taking a early lead, Is it Sugar foot in front of Lighting, NO, Lighting's up under Sugarfoot
Coming To get'em is coming up outta the back, and is jumpin' in front of Rippin them up into shreds
And now Rippin'em up into shreds is gainin' a little momentum on Sugarfoot
Bet it would be wonderful competition if Lighting gets out ahead a little bit
And Hear they come spinning around the turn, Will it be Rippin'em up into shreds, will it be Sugarfoot
NO! it's Coming to Get'em winning by a neck
