Twisted Insane

Aaah

Murderin', I begin, they gon' be knee
(Knee deep in shit) deep in the shit

Flow so venomous
Dealin' with triv, so strenuous, hit 'em with
Slugs and night time mood
- Ay, you wanna hit this shit, homie? - Blood, I'm bool
Mindin' my Ps and Qs, dippin' up into they
House and I hid in they livin' room, I'ma give it to 'em
Hold up, you smell that? They havin' dinner soon
I'm on that Michael shit, psycho shit, always my mind is racin'
You look in, they in the basement, cookin' like eggs and bacon
I am The Last Demon, I got sick of dreamin' and brought you all into my nigh

They break in my house like "oh fuck", - What? - The devil is right there
Hoppin' the gate, knowin' police in the [?], don't wait
The Sig in my lap'll in fact seal your fate
I pull that, you get clacked, I'll be back for your date, hmm
Hit 'em with Brainsickin', fuck 'em all, niggas became victims
Pain driven, Shoot for the Face, can't wait for the day they ain't livin'
Audio theme for sickness, there is no cure for mine
Pure divine, you in last place when it's time to race, I'm first in line
No love for the weak, first they all wolfin', now they all retreat
I stalk like I'm Jason, they run off, now I'm chasin'
Send me your location and they'll only be knee
Deep

Knee deep in shit
Shit
Murderin', I begin, they gon' be knee
(Knee deep in shit) deep in the shit

Probably off... my rocker, walk into the bar like howdy y'all (break)
Out the saw, I watch it go into your back, then out your jaws
Sick of this shit, sic 'em and fill 'em with venomous spits
Ridiculous, twist 'em like licorice, it's
We in the beginnin', no finish for this (and Kibbles 'N Bits)
No one forgot all
Brazy like Insane when off of the bottle
A couple chips short of a [?] and basket, I get asked if
I'm right in my mind but I'm not the cornier side of nachos to meat
No love for the weak, first they all wolfin', now they all retreat
I stalk like I'm Jason, they run off, now I'm chasin'
Send me your location and they will all be knee
Deep

Aaah
Knee deep in shit
Shit
Murderin', I begin, they gon' be knee
(Knee deep in shit) deep in the shit
