

Split Up

Twisted Insane

Slide through the dark off a night time shit with a clean 4-5th and your wrist I split up

Slide through the dark off a night time shit with a clean 4-5th and your wrist I split up

Slide through the dark off a night time shit with a clean 4-5th and your wrist I split up

Slide through the dark off a night time shit with a clean 4-5th and your wrist I split up

Slide through the dark off a night time shit with a clean 4-5th and your wrist I split up

Brains in my plate and I play with this food 'fore I eat it for the moment I am sick I get up

Knife in 'em and I'm on a mission in the middle of the night when everybody put their babies off to sleep

I be lurkin all up in the mental while they mention me whenever I be takin' m otherfuckers off their feet

Double it when I be coming and flippin and gonna be poppin at everybody that wanna go up against me

Niggas already tempt me

To put a bullet in your menoodle

Send you to funeral trippin up off a Bentley

Fuck your life! Conversation is minimal

People tellin me that my music is sendin you subliminals

Sick of livin in slums and how you bumpin your gums a motherfucker keep wolf in I'm rippin off niggas' genitals

Better make way when the Reaper come, I told you niggas all the visions that are right around the corner!

He comin for you it don't matter where you from, I was born and raised in San Diego California

With the fully auto with me and I'm off that shit

Put 1 up in you or 2 up in you or 3 up in you or 4 up in you

I'm finna fill you with bullets or how you runnin back to the captain I'm wonderin why them motherfuckers said you a fool with it

Feelin like I was soon hades the frontal poppin the carnival looking into your soul

Say you looked around the world and couldn't find me...

I was up in the pitcher house smokin upon a bowl

I was up in the murder fest I was up on a roll

Fill em with bullet holes then I gotta get away quick

People they wanna wolf and they gettin put in a hole

Niggas they wanna switch but I'm always keepin it sick

Brainsyck nigga!

Slide through the dark off a night time shit with a clean 4-5th and your wrist I split up

Slide through the dark off a night time shit with a clean 4-5th and your wrist I split up

Slide through the dark off a night time shit with a clean 4-5th and your wrist I split up

Slide through the dark off a night time shit with a clean 4-5th and your wrist I split up

Slide through the dark off a night time shit with a clean 4-5th and your wrist I split up

Slide through the dark off a night time shit with a clean 4-5th and your wrist I split up

Slide through the dark off a night time shit with a clean 4-5th and your wrist I split up

Slide through the dark off a night time shit with a clean 4-5th and your wrist I split up

Slide through the dark off a night time shit with the clean 4-5th and your wrist I split up

Comin to harvest your guts, cuttin the carcasses up

Eat your flesh and the rest I zip-up

Huh, man I'm gettin a feeling

Spitzafrenik, get a medic, gonna be makin a killin

And try to use a lot of blood when they pull through the building

And making you a piñata watch you hang from the ceilin

Now watch... As I beat em and peat em

I cut em and gut em I weed em and clean them

I grade them fillet them I even cazeed em

I'm evily creepin I'm leavin em leakin

Yeah ima sever their veins

Be clever remember I'ma smother their brains

Then they wanna fear the sync of the lyrical chain

Firing Squad, Brain Sick yeah remember the name

So back-y the fuck up before I go chunk em cause I got no time to just mess with you twats

Unless you wanna get it, going kamikaze with it I'ma catch your body with it cause you're here to get shot

Dead on the spot cause the artform they losin

Or let them just rot cause we often just rude to em

I'm causing contusions they off in illusion

We constantly bruising them that's what we do to em

So I just lash at their face and I grab the duct tape and a sign to explain to them I'm simply amazing

I step on the stage and I get really iller, yeah I play with his cranium

Alot of people wonder if I took it too far but I tell em hell naw man this ain't shit

Alot of people told me that I need to go in switch but I tell em hell naw cause I gotta stay sick Brainsick!

Slide through the dark off a night time shit with a clean 4-5th and your wrist I split up

Slide through the dark off a night time shit with a clean 4-5th and your wrist I split up

Slide through the dark off a night time shit with a clean 4-5th and your wrist I split up

Slide through the dark off a night time shit with a clean 4-5th and your wrist I split up

Slide through the dark off a night time shit with a clean 4-5th and your wrist I split up

Slide through the dark off a night time shit with a clean 4-5th and your wrist I split up

Slide through the dark off a night time shit with a clean 4-5th and your wrist I split up

Slide through the dark off a night time shit with a clean 4-5th and your wrist I split up

Slide through the dark off a nightime shit with a thirty four fifths in next time I lever

Tryna chop em til they coughin use a formic as a box gonna bounce off when they talk or when hands they don't shiver

Spray blood on the picture get a religion for my dinner while sicker than ch

ewin faces off of bath salt thinners

Murder fitzginner

Blood on my head and the shadow's little blunt lit lurkin on beginners

Chop em into pieces

Never really had a relationship so almost had it bled out it was Jesus
True will the meager for the shank to the geekin yeah sick for the prefir or
put the blaze to the deakon

Sick for a reason

Rolled in lovin ima sit out at the nutter when I was fightin with my demons
so I can tango with defeat em with the coffins will oblete em for the music
that was finna top they got me really leakin, beastin!

Man they dock for the look of my face think these drugs just kicked in
Brainsick from this coke and this weed and this drink so I think ima pull so
me sick shit

Explicit is when the secret is to overdose

Took in the doe for the bros so they don't bleed or boast

Sharpen his flows out of his head that says to break the ball

Catch em in the dark or let it spark or let it eat their soul

I'm outa control, and my mouth's fucked up words on some literal shit

They go tether will split up and have fun to kick it think it's safe to baffle
include the evidence

Creeded the residence, sicko

When I have conversations with my stainless

And I can warn you about the premeditation

But they still go brainless while the squad go "Brainsick"
