

# The Evergassin Gobstopper

Twisted Insane

Imma eat your motherfucking family, nigga  
Last time everyone was at the motherfucking house nigga  
I cut them up and motherfuckers were dying and shit

It was the way that I spit from the hip  
That be havin' 'em trippin' when I be so lifted  
Nobody get with it cause I be the sickest  
Put one in your fitted, so here is your ticket  
So are you ready for you to meet doom?  
Pick up another one put on the shuttle  
Ridin' so heavy but it could be  
Deadly turn brain to confetti and ready to bubble  
Open the 40 and proceed to guzzle  
Turnin' em on to the fraggle rock  
Put 'em in kitchen to wash all my dishes  
I got so many bitches all up on my jock  
Put 'em up on the D hit the tip of the cock  
Then get 'em posted right up on the block  
Not long it will take you nobody will hate you  
Somebody will date you and make you a knot  
And before you know it the bitch  
Will be hoin' and goin' right back  
And forth up on the spot  
Coulda been a million  
Muthafuckas that done ran up in  
That bitch so contaminated with their cock  
Got too many phony ones ready to pop  
And you don't really wanna know about how disgusting  
Even if a nigga was rich but I'm not  
I wouldn't give a fuck, I'm a keep busting  
Niggas be drinkin' on the Robitussin  
I just be sippin' up of with the English  
Swept with a broom and you will meet doom  
If you come in my room while I'm jackin' my penis  
Put you on the raggedy planet named Venus  
Fuckin' the alien bitch from the movie  
Hit 'em with the venom and the venom when I get up in it  
Do you really wanna run up on the

The Evergassin' Gobstopper

Hit em' with a muthefuckin' bullet  
When a nigga really wanna  
Put a nigga through it

Hit em' with a muthefuckin' bullet  
When a nigga really wanna  
Put a nigga through it

And if you really wanna rumble  
With a nigga acting like someone from up in the jungle  
Fly like an eagle but hearin like dumbo  
Smashing the niggas like I was in crumble  
Put their body parts up in my gumbo  
Put 'em [?] in the motherfucking sentence  
[?] run up when put my gun up and I kiss em good riddance  
Like this one nigga, I know for instance

Won't say his name but I'll call him Urckle  
Could of been dead  
Left him for dead with a hook in his head looking like he could snorkel  
Want to be good but I am the sickest  
Nigga I spit that shit ever so vicious  
Murderlistic, put one up in you  
My tongue is to give you a form of living  
And really don't want to be off in that water that post with the artists who  
sleep with the fishes  
I am the sailor  
[?] get at your bitches  
Nigga you better beware of the dog  
Creep through the fog  
With the hog on my hip  
I am the shit  
And you can ask everyone nigga and even including your bitch  
Putting the tip of the tongue on my dick  
They get to slurping like it was a smoothie  
Better back off of my shit get to bopping my dick hit it up like it was an u  
zi  
Fuckin' with a bitch back up in the Jacuzzi  
Grab my dick and spread it on floozie  
Hit em with the venom and the venom when I get up in it  
Nigga really wanna run up on em

The Evergassin' Gobstopper

Hit em' with a muthefuckin' bullet  
When a nigga really wanna  
Put a nigga through it

Hit em' with a muthefuckin' bullet  
When a nigga really wanna  
Put a nigga through it

I'm like the phantom of the opera  
Havin' 'em all call the doctor  
Chewing them niggers while speaking proper  
Hit em the stomach harder (GOBSTOPPER)  
Get the fuck up out of my ego  
Before I hit you and turn your brain to prago  
My mother told me to always say no or have them do it all for day go  
These niggers really miss the sun  
Still got the guns  
Still got the one  
Still got these motherfuckers going psycho like Michael they bitching cause  
runts  
Hit em when I put it right between their buns  
But they can't have the weed up on my tongue

And I be that nigga that sit in the middle [?]

Nobody's leaving, they might be bleeding  
You give me a reason to bust with the gun  
Enough of this shit to get hit with the blunt

Cause I'm taking enemies banging em taking em baking em making em vomit  
What ever you thinkin I'm on it [?]  
My stomach can gobble them niggas [?]  
Smothering everyone wondering who?  
I fucking the wife and killing the groom  
Everyone in the room hearing the boom  
Hit em with the venom and the venom when I get up in it

Nigga really wanna run up on em
