

The Initial High

Twisted Insane

I am the one they call demon, not a pony with the one trick
I was in the kitchen cookin' [?] in like I'm on a sunk ship
Funny what's the people say about you when you really psycho wi-
th the gun clip
Maybe it's the visions I been havin', I ain't only rappin', I b-
ecome shit
Go ahead and pick your poison, I'ma really bring the noise in w-
ith the ginsu
I will never bite my tongue, I don't really give a shit if it o-
ffends you
Your rent's due, anybody rappin', they can be up on the menu
I don't even wanna speak about it, matter fact I put this shit
up in the rear view
I'm god tier on nitrous, no one's home and I'm lifeless
We can make a real movie, Sharon Stone with an icepick
Almost fucked around and quit this shit, came back like tightes-
t
They don't wanna meet the demon, see you when you dreamin', sic-
ker than Coronavirus
I might just, put a mask up on my face, they don't know it's me
Then I show up in the blow up spots and go overseas
20 years up in the game, insane how they don't notice me
Maybe it's time I fade out slow-ly
