

You Want What We Got

Twisted Sister

I know what you want
You want what we got
I know what you want
You want what we got

Sometimes you drive me mad
With the things you say and do
You act like we're so bad
Well, I got a message for you
You don't fool anyone
With your jealousy
You want it all and give us none
That ain't the way it's gonna be

I know what you want
You want what we got
I know what you want
You want what we got

Checkmate we named your tune
Don't give me no alibis
We burst your red balloon
Maybe now you realize
When you laugh and put us down
You're tryin' to cover up your fears
Just like a circus clown
It's just a mask, just a mask to hide your tears

I know what you want
You want what we got
I know what you want
You want what we got

You want it
We got it
We got it
You don't
You want it
We got it
We got it
You won't
You want it
We got it
We got it
You don't
You want it
We got it
We got it
You won't

I know what you want
You want what we got
I know what you want
You want what we got
I know what you want
You want what we got
I know what you want

You want what we got
I know what you want
You want it
You want what we got
We got it
I know what you want
You want it
You want what we got
You know what I got
I got what they got
You want what I got
They want what we got
